The Vision Coalition of Delaware is a public-private partnership composed of a broad range of Delawareans who work together to improve Delaware public education.

The coalition’s leadership developed the Vision 2015 plan in 2006. Ten years later, with Delaware moving on more than 75 percent of the recommendations from that plan, the Vision Coalition collaborated with Delawareans to develop a new 10-year plan.

Starting in January 2014, 4,000 Delawareans shared their ideas, perspectives, and opinions during the plan development process. The result is Student Success 2025. The goal of Student Success 2025 is to prepare every Delaware student for a lifetime of success.
